

# Local School Board Candidate Questionnaire

1 Please explain, in your opinion, the function of the local school board.

2 Please explain why you are choosing to be a candidate for the school board.

3 The school board is composed of citizen taxpayers within a school district with a school administrator, hired by the board. Who sets the agenda and direction of the education of the students?

Local School Boards     School Administrators     State School Board     Parents

Comments:

4 School districts should be able to use taxpayer money for lobbying the state legislature.

Strongly Agree     Agree     Neutral     Disagree     Strongly Disagree

Comments:

5 American civics education should emphasize our nation's founding principles of liberty and equality.

Strongly Agree     Agree     Neutral     Disagree     Strongly Disagree

Comments:

6 Should parents have the ultimate authority in their child's education to freely pursue whatever education options they deem best for their child?

Strongly Agree     Agree     Neutral     Disagree     Strongly Disagree

Comments:

7 We know that not all students are able to learn at the same speed. Do you believe students should be promoted that excel and students that need help should be held back?

8 Respect for both students and teachers is important. What do you believe is the best way to handle issues of bullying, profanity and disrespect for students and staff.

9 Who should have the authority to see curriculum and determine resources used in those curricula?

10 When should parents be restricted from speaking in school board meetings?

11 Before students are taught courses such as Comprehensive Sex Ed (CSE) or Social Emotional Learning (SEL) and required to adhere to mask mandates, they must opt-in with written parental permission.

Strongly Agree     Agree     Neutral     Disagree     Strongly Disagree

Comments:

12 Who is responsible for teaching sexual education to children, and what is the appropriate age when it should be taught?

Comments:

13 If you support teaching sex education in our schools, are there any topics that you believe should be taught and or should not be taught?

Comments:

14 No healthcare diagnosis or treatment, whether mental, reproductive, or otherwise, should be given to a child without first receiving written consent from the parent or guardian.

Strongly Agree     Agree     Neutral     Disagree     Strongly Disagree

Comments:

15 No school staff or teacher should be involved in sexual transitioning of a student, including the use of alternative names and pronouns

Strongly Agree     Agree     Neutral     Disagree     Strongly Disagree

Comments:

16 Please number in order what you believe is the purpose of the education of students.

Academics     Sports     Social Learning     Liberal Arts     Career Trades

Comments:

17 Athletics and sports are important in child development to learn teamwork, physical and mental health and responsibility. Do you support school sports on Sundays and holidays?

Strongly Agree     Agree     Neutral     Disagree     Strongly Disagree

Comments:

18 Academic achievements should be recognized for all students. Do you have any ideas that can promote academic excellence?

19 A candidate's personal moral values should not be relevant when considering a candidacy for elective office.

Strongly Agree     Agree     Neutral     Disagree     Strongly Disagree

Comments:

20 Please provide some information about you. Include family, life experiences, education and career.
